Agricultural Building Requirements

1. Complete general application including **applicant's signature and property owner's signature.**
2. Complete Storm Water Management application for projects over 500 square feet.
3. Submit a plot plan of the property drawn to scale showing all existing constructions and proposed construction, distance to the side, front and rear property lines. It shall also include the existing and proposed grading contours, easements, rights of way, wetlands or other features of the property noted.
4. Provide construction details of building.
5. Provide proof of Workers Compensation with Buckingham Township as certificate holder or complete our Workers Compensation form. **Permits will not be issued without this paperwork.**
6. The zoning fee is \$80.00 plus stormwater fees if applicable. All approved permits must have a final inspection upon completion.
7. All approved permits must have a final electrical inspection if applicable and a final building inspection.
