## Driveway Expansion Requirements

1. All driveways shall be located at least five (5) feet from any side or rear property line.
2. For properties abutting curbed and uncurbed streets, the curb cut or driveway width at the street line for single width driveways shall be no less than ten (10) feet or more than fourteen (14) feet.
3. All driveways shall be a minimum of ten (10) feet in width. All driveways shall be paved twenty-five (25) feet from the edge of the cart way using the following minimum standards: Coarse aggregate, Penn Dot #2A, having a compacted depth of six (6) inches and a bituminous wearing coarse, ID-2, to compacted depth of two (2) inches.
4. Provide a plot plan showing the location and dimensions of the proposed driveway expansion.
5. Stormwater management is required if the expanded area exceeds 500 square feet.
6. Provide Workers Compensation with Buckingham Township as certificate holder or complete our Workers Compensation form. **Permits will not be issued without this paperwork.**
7. A check payable to Buckingham Township for \$80.00 is due at time of application.
