5. Terms and Conditions

- The Permittee shall apply for a new Hydrant Water Withdrawal Permit upon reaching a cumulative withdrawal of **13,000 gallons**.
 - Water may only be withdrawn from hydrants specifically approved by Buckingham Township.
 - The Permittee shall notify the Township **at least thirty (30) minutes prior** to each water withdrawal to ensure that a Township employee is available to be present during the withdrawal.
 - Water withdrawals are permitted **Monday through Friday, between 8:00 a.m. and 1:30 p.m.**, subject to Township staff availability.
 - The Permittee shall use only approved backflow prevention equipment and hydrant meters supplied or approved by the Township.
 - The Permittee shall exercise reasonable care to prevent damage to Township property, including hydrants, meters, valves, and appurtenances.
 - The Permittee shall immediately report any damage, leaks, or unsafe conditions to the Township.
 - The Permittee assumes full responsibility for the proper use of all Township equipment while in its possession.
 - The Permittee shall comply with all applicable federal, state, and local laws and regulations governing potable water use.
 - Unauthorized water withdrawal, tampering with Township equipment, misuse of the permit, or violation of these conditions may result in immediate suspension or revocation of the permit, assessment of applicable fees, recovery of damages, and any other remedies available under law.
-
